Water Gardening

Water Treatments

Pond Clarifier

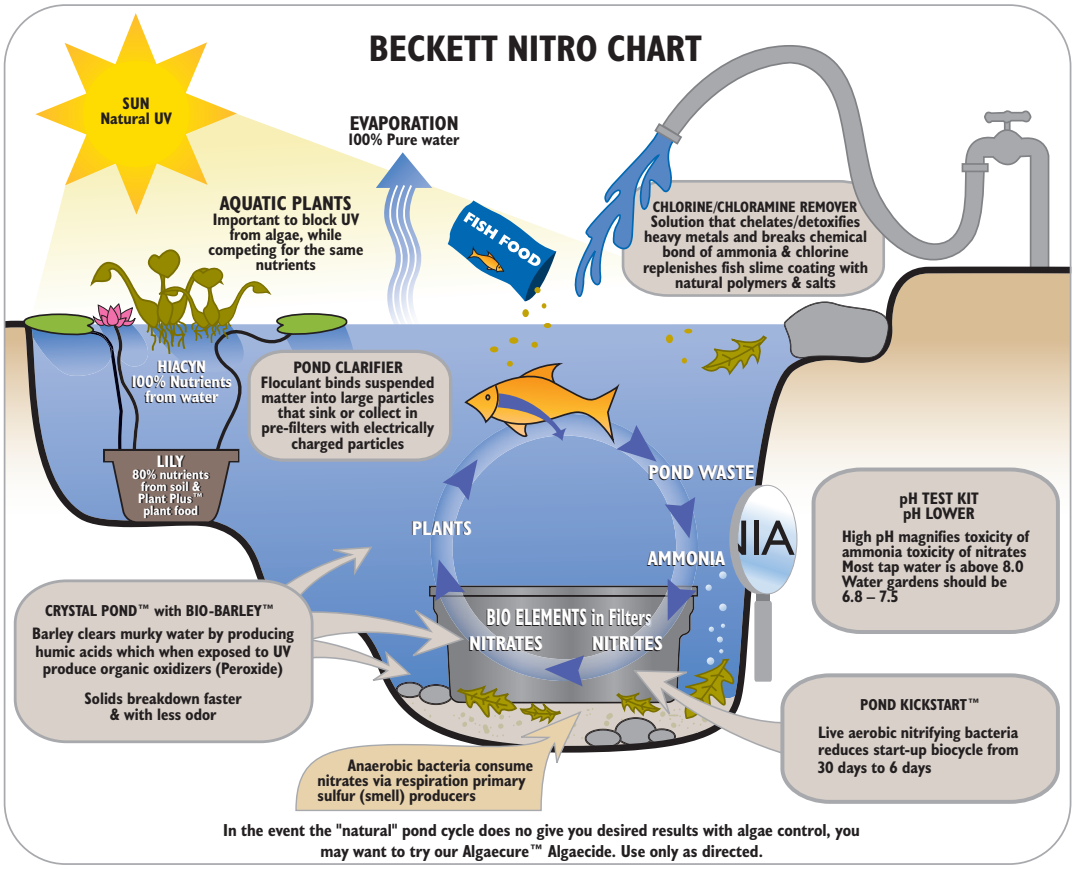
Item: 7072310
Model: CPPC16

Size: 16 Fluid oz
UPC: 052309707234
Master Pack: 6

Product Features

Pond Plus™ products from Beckett are safe for plants and fish.

- Clears cloudy water
- Detoxifies some heavy metals
- Settles suspended particles to aid filtering
- pH buffered - safe for plants and fish
- Phosphate free
- Must use as directed



BECKETT NITRO CHART
SUN
Natural UV
EVAPORATION
100% Pure water
AQUATIC PLANTS
Important to block UV from algae, while competing for the same nutrients
FISH FOOD
CHLORINE/CHLORAMINE REMOVER
Solution that chelates/detoxifies heavy metals and breaks chemical bond of ammonia & chlorine replenishes fish slime coating with natural polymers & salts
HIACYN
100% Nutrients from water
POND CLARIFIER
Floculant binds suspended matter into large particles that sink or collect in pre-filters with electrically charged particles
LILY
80% nutrients from soil & Plant Plus™ plant food
POND WASTE
PLANTS
AMMONIA
IIA
BIO ELEMENTS in Filters
NITRATES
NITRITES
pH TEST KIT
pH LOWER
High pH magnifies toxicity of ammonia toxicity of nitrates
Most tap water is above 8.0
Water gardens should be 6.8 – 7.5
CRYSTAL POND™ with BIO-BARLEY™
Barley clears murky water by producing humic acids which when exposed to UV produce organic oxidizers (Peroxide)
Solids breakdown faster & with less odor
POND KICKSTART™
Live aerobic nitrifying bacteria reduces start-up biocycle from 30 days to 6 days
Anaerobic bacteria consume nitrates via respiration primary sulfur (smell) producers
In the event the "natural" pond cycle does no give you desired results with algae control, you may want to try our Algaecure™ Algaecide. Use only as directed.
